Toronto Ontario | 519.803.7676 | chris@chrisferes.com

chrisferes.com

Toronto-based animator and compositor with over 6 years of experience creating engaging video content in After Effects.

OCT 2017 - PRESENT

Freelance Animator & Motion Graphics Artist

Serving clients in the Toronto area, helping to creating stunning visuals for video projects, focusing on speed, efficiency, and attention to detail.

AUG - SEP 2017

Compositing Tools Developer

Tinman Creative - Toronto

Worked with the Creative Director to determine where workflows could be improved with automation tools. Developed scripts for After Effects, Premiere and Adobe Animate to help with tedious tasks.

MAY - JUL 2017

Freelance Compositor

Little Tugboat - Toronto

Worked on the award-winning CBC children's show, *The Adventures of Napkin Man*, for its third season. Composited 2D elements onto live-action backgrounds using After Effects, paying attention to colour and lighting details. Created scripts, macros, and expressions to help automate tedious tasks.

OCT 2014 - APR 2017

Animator & Motion Graphics Artist

Ribbet Inc. - Toronto

Led the animation team on projects from start to finish - storyboarding, illustration, layout & compositing, audio post-production, and final delivery. Managed workflows, scheduling, researching and developing animation tools.

NOV 2012 - SEP 2014

Video Production Specialist

Opie Marketing - Burlington

- Managed the creation of live-action and animated product videos and tutorials for use in integrated web marketing campaigns for several brands, notably HostPapa.

- Oversaw and directed all aspects of the production process from script, to voiceover recording, editing and final delivery.

MAY 2011 - SEP 2012

Animator & Motion Graphics Artist

Syndicus Inc. - Guelph

- Produced animated segments for various corporate projects, ensuring proper file organization and on-time delivery to the client.

- Completed additional graphic design work for a variety of media (flyers, posters, book layouts and interactive maps), while providing additional brand consulting.

EDUCATION

SEP 2008 - APR 2011

Advanced Diploma: Television and New Media Production

Loyalist College - Belleville

- Focus on Information Technology Certificate

- CTV News Best News Segment Award (Director)
